EVENT

McLeod Law Presents the 2019 Synaptic Push It! Gala

October 19, 2019

McLeod Law is pleased to present the 2019 Synaptic *Push It! Gala*.

This black-tie event will connect the innovators, change-makers and social visionaries of Calgary in a night of high stakes entertainment to create awareness and funding for the implementation of their groundbreaking technology program.

We are proud to be a part of a mission that drives change. In an incredibly exciting time of ground-breaking innovation, this is an opportunity to engage in a movement that will push the boundaries of neuro-rehabilitation and directly better the lives of Albertan's.

Learn more about the Gala!

About the cause

Synaptic is partnering with Heuro Canada to bring Portable NeuromodulationStimulator (PoNS) treatment to Alberta. The treatment will help people living with neurological disorders such as MS, relearn motor skills to complete basic tasks such as walking safely, driving, and feeding themselves.

Learn more about Synaptic's work and this cutting-edge healthcare technology that they are bringing to Alberta.
