I ease the fear and doubt—and distill the negativity—from separation and divorce.

Asher works only in family law and focuses on finding timely and cost-effective resolutions in difficult situations. He believes guiding clients through risks, opportunities, and settlement options is necessary for positive results. He views lawyers as peacemakers and discourages litigation, but court is sometimes the right choice, and he is a skilled advocate.

Asher is highly recommended by clients, earning him a rating of 5 out of 5 on Martindale Hubbell and Lawyers.com.
