Construction, Development & Infrastructure

Your partner in construction law

Our group of 12 construction lawyers have experience that rivals national firms. We take a sensible, realistic approach to every deal, and will guide you through every step of your transaction.

We understand your business and know how to speak your language because we have an in-depth understanding of the local market, its regulations and players.

An efficient process and competitive fee structure keep our services cost-effective and allow us to meet deal milestones accurately and on time. We scale assigned tasks to the appropriate team members and leveraging technology, so you aren't paying higher fees unnecessarily. That's why so many of our clients have stayed with us as their businesses have grown.

Our services include:

- Land acquisitions and sales
- Purchase and project financing
- Development and subdivision of land
- Negotiation and preparation of all contracts and agreements for these transactions
- Conveyancing

Lawyers who pick up the phone

You need a responsive lawyer who's available to talk to you and will reply to emails quickly. We make sure you get that level of service

throughout the process, which is why we return messages within six business hours.

We know how to put complex issues into simpler terms—legal jargon stays in legal documents—so you can move forward with confidence.
