PRACTICE AREAS

Residential Real Estate
Condominium Law

My extensive experience in condominium law allows me to help clients in a cost-efficient, practical manner.

At McLeod Law, Laurie is the Condominium group team lead. Her practice is concentrated in condominium matters, including governance and litigation.

She advises developers, property managers, and boards of directors on matters relating to land, people, and overall governance. Laurie helps her clients with their business decisions, risk management, and people relations. She is well versed and experienced with the *Condominium Property Act and Regulation*, and related case law.

Laurie is recognized by [The Best Lawyers in Canada](#) for work in Real Estate Law.

Education

2005 University of Calgary, LLB (third in class)

2001 University of Calgary, BA (with distinction)

Admissions

2006 Alberta

Experience

- Successfully argued for legal costs on a full indemnification basis, totaling nearly \$75,000.

[Stagg v. Condominium Plan](#) 882-2999, 2013 ABQB 684

Counsel for residential and commercial projects, including acting for real estate developers in connection with the development of condominium projects (mixed-use, residential, industrial, and commercial properties).

Counsel for condominium corporations, developers, property managers, and surveyors with:

- Drafting developer disclosure packages and contracts
- Drafting bylaws and other agreements
- Chairing and organizing annual and special general meetings
- Obtaining financing for capital projects and special assessments
- Legal opinions on bylaws and their interpretation
- Assisting with condominium plan amendments
- Navigating condominium insurance and deductibles
- Bylaw enforcement and resolution of bylaw infractions
- Fee arrears collections, evictions, cease and desist matters
- Document reviews, including opinions on the interpretation and application of contracts and bylaws before purchase

In sum, anything and everything related to condominiums.
