Concussions

Free Initial Consultation

You're not alone in this. We are well versed in dealing with traumatic brain injuries of all levels of severity. We will gather the evidence needed to get you the best possible compensation and ensure your treatment focuses on your specific needs. Brain injuries require specialized treatment and care, which we will help you navigate. We'll be there to answer your questions, respond to developments, keep you informed, and guide you through your recovery every step of the way.

Our Personal Injury group works with claims involving:

- Traumatic brain injury
- Mild, moderate and severe concussions
- Post-concussion syndrome

Receive a free consultation

Your initial consultation is free. We'll give you an honest assessment of your claim and talk about the best approach. And we offer contingency-based billing, so you won't have to pay us any fees until we recover your compensation.

Lawyers who pick up the phone

You need a responsive lawyer who will take the time to explain the process and your role and help reduce your stress. We check in with you regularly and answer your questions promptly, so you get the same level of service throughout the process.
