Free Initial Consultation

Having a disability claim denied or losing insurance benefits can cause financial strain and stress. We'll fight for you to receive the insurance benefits you deserve.

Our lawyers review your insurance coverage, medical records, and your communications with the insurance company to argue the wrongful denial of benefits. We work with medical experts whenever needed to prove your entitlement to benefits. An accurate, effective process ensures your claim stays on track and nothing slips through the cracks.

We have been working with clients to successfully establish their disability claims for decades, under all types of insurance coverage, from private and group plans to mortgage insurance. We have represented people across Alberta with disabling conditions, illnesses or injuries, including:

- Anxiety, depression, mental illness, PTSD, bipolar and mood disorders
- Arthritis, chronic pain, chronic fatigue
- Autoimmune disorders
- Neurological conditions, dizziness, vertigo
- Fibromyalgia
- Heart attack, stroke
- Lyme disease
- Orthopedic injuries and conditions (neck, back, shoulders, hips and knees)

We represent clients with private or group disability plans, mortgage insurance plans, as well as critical illness, long-term care, and life insurance claims.
