Free Initial Consultation

As one of the founding practice areas of our firm, our Personal Injury group has extensive experience handling injury and fatality claims at every level of court in Alberta. We can provide you with the guidance and explanation of benefits provided at law to the family members of individuals who have died as a result of their injuries.

A responsive lawyer

You need a responsive lawyer who will take the time to explain the process and your role and help reduce your stress. We check in with you regularly and answer your questions promptly, so you get the same level of service throughout the process.

We provide an initial, free consultation. We'll give you an honest assessment and talk about the best approach. And we offer contingency-based billing, so you won't have to pay us any fees until we recover your compensation.
