## Free Initial Consultation

You're not alone in this — let us help relieve your stress so you can focus on recovery. Our knowledge of the law and the complex insurance industry helps you navigate your treatment and maximize compensation for your legal, insurance, and medical claims.

## Taking the stress off your shoulders

We work with your doctors and experts in the field to make sure you are getting proper care and attention. We will help keep your treatment on track and deal with the insurance companies, so you can focus on healing and getting your life back as quickly as possible.

Proving your claim is crucial. We'll make sure your caregivers gather the evidence needed to get you the best possible compensation. We'll be there to listen, answer your questions, respond to developments, keep you informed, and guide you through your recovery every step of the way.

Our Personal Injury group handles claims involving:

- Motor vehicle accidents
- Motorcycle accidents
- Serious personal injury
- Fatalities
- Concussions
- Elder abuse and senior care facility claims
- Medical malpractice
- Pedestrian and cyclist accidents
- Sexual assault and assault
- Slip and falls
- Disability insurance claims

## Decades of experience

Our group is 40 years old with the skill to negotiate with insurance

companies and represent you with the most current legal arguments and law.

Our team of lawyers focuses exclusively on personal injury law. We have litigated at all levels of court and have achieved record-setting precedents in law. Our experience, attention to detail, and organization are well respected in the industry.

Our team meets regularly to:

- Collaborate and strategize on our clients' cases
- Apply updated legislation to our methods
- Review the impact of new law

### Receive a free consultation

We provide a free initial consultation and contingency-based billing. If you have a viable case, it can proceed right away, and you won't pay any fees until your case settles.

You'll find out upfront whether or not your case is viable. And if not, we'll happily advise how to represent yourself and point you to the resources you'll need to do that.

### Mediation experience

We have more than 40 years of experience in negotiating claims through mediation—whether with a judge or a private mediator. We work with the mediator or judge to assist you in reaching a resolution. The goal of mediation is to resolve your claim and give you certainty so that a long trial is not necessary.

### Trial experience

Sometimes going to court is unavoidable. We use our decades of legal experience in personal injury to argue your case strongly and maximize your compensation.

Our personal injury lawyers have significant courtroom experience and an exceptional track record. We have lawyers who have worked for insurance companies in their past careers, giving us valuable insight into the insurance industry.
