Slip & Falls

Free Initial Consultation

We have decades of experience with the rules, laws, and players in this area. We'll see to it that the party responsible for the conditions leading to your fall are put on notice. We make sure your claim is fully investigated and maximized for value, and your recovery is as complete as possible.

We also help with accessing any benefits that might help cover the costs of treatment. This ensures that you receive timely and appropriate therapy and the disability benefits needed to cover your time off work.

You don't have to worry about coordinating doctors and treatment providers because we'll take care of that for you. We can also refer you to specialists, diagnostic imaging, and other forms of treatment as needed.

Our Personal Injury group works with claims involving:

- Injuries resulting from slip, trip and fall accidents
- Occupiers liability

Receive a free consultation

Your initial consultation is free. We'll give you an honest assessment of your claim and talk about the best approach. And we offer contingency-based billing, so you won't have to pay us any fees until we recover your compensation.

Lawyers who pick up the phone

You need a responsive lawyer who will take the time to explain the process and your role and help reduce your stress. We check in with you regularly and answer your questions promptly, so you get the same level of service throughout the process.
