PRACTICE AREAS

Residential Real Estate

Business Law

Commercial Real Estate

I handle everything with accountability and responsiveness, so my clients can focus on their business.

David is a partner in the Business Law and Commercial Real Estate groups at McLeod Law. He handles:

- Mergers and acquisitions
- Corporate structuring and reorganizations
- Corporate lending and financing
- Employment and shareholder agreements
- Commercial/business transactional agreements

His real estate services include:

- Residential, commercial, condominium and agricultural/farmland deal structuring and conveyancing
- Commercial lease drafting, review, and negotiation
- Counsel to corporations, individuals, and financial institutions in financing transactions

Education

2005 University of Alberta, LLB

2000 University of Calgary, Bachelor of Kinesiology (with Distinction)

Admissions

2006 Alberta

Experience

David acts as legal counsel to a post-secondary institution in Alberta, advising on land transactions and lease matters, along with providing general corporate advice.

He also sits on the advisory board of a local accounting and financial consulting firm.
