My approach is results oriented. Clients trust me and I take that responsibility very seriously.

Ross is well-known and an established personal injury lawyer in Alberta. He provides strategic advice to clients for an efficient resolution of serious personal injury cases. Ross has extensive experience using various methods to achieve resolution, including negotiation, mediation, arbitration, and litigation. He has appeared as legal counsel before all levels of Alberta court. He is a founding partner of McLeod Law and provides guidance and mentorship to junior lawyers. Clients highly recommended Ross, giving him a rating of 5 out of 5 ("Platinum" rating) on [Martindale Hubbell](#) and [Lawyers.com](#), their highest client rating available.

Education

1975 University of Manitoba, LLB

1972 University of Manitoba, BA

Admissions

1981 Alberta

1976 Manitoba

Experience

In Ross' 40+ years of experience, he has been involved in:

- Catastrophic personal injury litigation, including motor vehicle accidents, slip and fall accidents, sexual assault, malpractice, and product liability.
- Matrimonial law, including the division of property and business assets.
- Representation of professional conduct claims made against dentists, doctors, chiropractors, veterinarians, and realtors under their respective professional occupation legislation.
- Complex real estate litigation matters.
- Commercial litigation, including contractual and commercial disputes.
