### Business After Hours - Virtual networking

September 17, 2020

Business After Hours is back, virtually! The Calgary Chamber will arrange the refreshments so you can focus on the conversation!

Thursday, September 17th | 4:00 - 5:30 pm | Zoom

Throughout the evening you will have the chance to network in smaller groups as we circulate through virtual breakout rooms. This allows for better conversation and gives you the opportunity to mingle with all attendees.
