Condos & COVID-19 Webinar: An Expert Discussion on How to Handle the Crisis in your Condo

April 23, 2020

The Canadian Condominium Institute, South Alberta Chapter is hosting a free webinar to discuss issues facing condo dwellers during the COVID-19 crisis.

The head of McLeod Law's Condominium Law group, [Laurie Kiedrowski](#), and the Calgary Fire Department's, Frank Schroder are among the panel of seasoned condo experts who will discuss the following topics:

- Condo safety in a pandemic
- Can condo fees be deferred
- Fire Code compliance and annual fire inspections
- Request for accommodation
- Protocols: can residents be forced to self-isolate

Listen in live April 23, 2020 or watch the [recording here!](#)

This is a trying and stressful time for everyone, and we have received many questions about how a condo corporation should handle its affairs and what it can and cannot do in these circumstances. We have shared some of our frequently asked questions [here](#). But please be aware that the answers to these questions are fluid and can change daily in this unprecedented time.
