COVID Crisis: Where to From Here?

June 2, 2020

The initial shock of the COVID-19 crisis is behind us, and businesses are gradually starting to re-open. Still, massive questions are obscuring the way forward. What can Calgarians expect this summer? When will businesses start to feel like things are returning to normal? And what might government support programs look like over the coming months?

Power Up Webinar | June 3, 2020 | 10:00 am MST

There are no certain answers to these questions, but there are **four possible scenarios** that we can analyze. Join Todd Hirsch, Chief Economist of ATB Financial, as he unpacks the possibilities and provides insights for businesses as we move forward.

McLeod Law and Rogers are co-sponsors of the Power Up webinar series by the Calgary Chamber.
