Health Care Symposium 2015 - Presentations & Materials

June 1, 2015

Health Care Symposium 2015 - Presentations Materials

We are delighted to have hosted our 2nd Annual Health Care Symposium!

We thank our wonderful speakers who provided their time and insights to present on the latest in advancements and trends in the diagnosis and treatment of mTBI and PTSD that result from traumatic injuries.

Dr. Chantel Debert, MD, MSc, FRCPC

Dr. John F. Keegan, PhD

Dr. Nathan Keiser, DACNB

Dr. Adam Moscovitch, MD, FRCPC

Dr. Joann Mundin, MD, FRCPC, MSc

Dr. Arlin Pachet, PhD, RPsych, ABPP

To view the presentations and supplemental materials, please click on the following:
