Business After Hours Virtual Networking

November 19, 2020

The last Business After Hours of the year is this November. Proudly sponsored by McLeod Law, this Calgary Chamber virtual event will include refreshments delivered to your door so you can focus on the conversation.

Throughout the evening you will have the chance to network in smaller groups as we circulate through virtual breakout rooms. This allows for better conversation and gives you the opportunity to mingle with all attendees.

You can register at calgarychamber.com

Hope to see you there!
